FOUR MORE COACHES HELP VARSITY SQUAD

Virginia's Eleven being Put through Faces by Former Stars in Preparation for Georgetown Game on Saturday.

Charlottesville, Va., November 11.—The squad of coaches at Virginia was augmented to-day by a quartet of old boys—"Empty" Cook, one of the best tackles ever at Virginia and the second coach under the alumni system; Yancey, full back and former captain and coach; Deawin Holladay, a former tackle and track captain, and Baldwin Myers, an end.

With these new arrivals looking on the scrimmage proved one of the most strenuous of the season. The Varsity and Scrubs were driven at a hard pace for over a half-hour, and frequently the play was stopped in order to give the coaches time to point out the defects in the work of the players.

The Scrubs, coached by Dr. Maddux, got the jump on the Varsity at the outset, and by the aid of the forward pass and forty-yard run through right tackle by Maxson, landed the pigskin on the Varsity five-yard line. A fumble by Robertson, however, prevented a touchdown. The regulars then rushed the ball down the gridiron, Gooch adding materially by a run of fifty yards, being thrown by Randolph on the Scrubs' twenty-yard line. Successive line plunges followed, Smith making the only touchdown of the afternoon on a plunge through center.

The regulars were minus the services of Captain Todd, Madden and Finn. The two last named are in the university hospital. Madden with a severe attack of charleyhorse and Finn lay with a fractured rib. Neither will be able to get back in the line-up before Saturday. Another player in the hospital is Coleman, who is down with typhoid fever. But for his numerous injuries, principally in the Virginia Military Institute game, the Kentuckian would have won a place in the Varsity back field.

As an evidence of the intense interest in the Georgetown game two prominent backs reported for work to-day, after an absence of three weeks. They are Acree and Maxson. The former laid off on account of injuries, while the latter has been catching up in his studies. Both played in remarkable form in the Scrub back field, and should be seen in action Saturday.

Redus filled Madden's place at tackle on the Varsity, while Gillette took care of Finn's end. Redus tackled like a fiend and Gillette showed much skill in smashing plays sent in his direction. Jett was also in the line, Cook paying him especial attention. Yancey devoted his time to the back field candidates, Smith in particular. The former Lawrenceville end exhibited much power at full back. Gooch ran the team at quarter, his first appearance in scrimmage since the Vanderbilt game. Mayer and Landes were the half backs.

Judging from to-day's strenuous workout, no effort will be spared in getting the eleven in shape for Saturday's battle with Georgetown. It is possible that each of the regulars will have an individual coach by mid-week.

A special excursion train will leave here Saturday morning at 7 o'clock for Washington, and a big crowd is expected to make the trip.

Only two more days before the local medical colleges get together for their final game of the season which will be staged at Broad Street Park Thursday afternoon at 3 o'clock.

Around the two schools, on the streets and public places the interest in the game is growing, and when the two teams clash there is every indication that there will be a monster crowd present, for, to close followers of the sport, this game is certain to be a rattling good one.

All day yesterday between lectures groups of from fifty to a hundred students could be seen congregated rehearsing yells and songs that will be used at Thursday's game, and by the time the game is pulled off the two student bodies will simply be football mad, and the few students that do not attend the game will either be emotionally embarrassed or in a coma.

The parade of the respective student bodies is scheduled to leave downtown at 2 o'clock Thursday afternoon, and by the time they are seated in the stands there will probably be thousands of their friends there to watch their antics, and incidentally to see a good game of football.

The Medical College of Virginia's back field men were pushed extra hard in yesterday's practice by Krebs in the hope that he may bring out the potential speed that he feels is present, and that they so much need for the U. C. M. game.

He made one important change in his line-up, but this he is unwilling to divulge until the day of the game. Hedgepeth, the star tackle of the M. C. V., has developed a slight "charley horse" as a result of the game with Wake Forest, but he is under the care of Thomas A. O'Reilly, the expert masseur, who states that he will have him all ready for the game Thursday.

There is some question as to whether Seymour, the star tackle of the M. C. V., will be allowed in this game, as he is a very exciting football game will be fought between the Little Hickories and the Little Invincibles this afternoon at Broad Street Park. Both teams are very evenly matched, and it is expected to be a hard-fought game. They have already played one game, and the score was 6 to 6, being a hard-contested battle.

The game will start at 3:30 o'clock. The line-up will be as follows:

Little Hickories—M. Watkins, left end; Adkins, left tackle; White, left guard; Diggs or Kohler, center; McKee, right guard; Mayne, right tackle; A. Watkins, right end; Witt (captain), quarter back; Brown, left half back; Rucker, full back; Parrish, right half back.

Little Invincibles—C. Neater, left end; O'Dell, left tackle; Elam, left guard; W. James, center; Schloss, right guard; Bailey, right tackle; Cotton, right end; Bauer (captain), quarter back; Rogers, left half back; Ferguson, full back; R. James, right half back.

Officials: umpire, Parrish, John Marshall High School; referee, Phillips, John Marshall High School; head linesman, Ferguson, Richmond College; timekeeper, Pitt, Richmond Academy.

"HARVARTON," a formal looking collar for informal wear. The parallel lines of this new style make it entirely distinctive.

It's a great favorite with college men everywhere. Snappy, Stylish, Effective. "YALE-TON" is the same collar but lower.

Both made with the famous "Slip-Over" Button-holes, and Patented "Lock-that-Locks."

WOODBERRY LAYS CLAIM TO HONOR

Defeating Jefferson School on Gridiron Puts Prep. School Championship on Ice.

Charlottesville, Va., November 11.—The Woodberry Forest School football eleven laid further claim to the preparatory school championship of the State to-day by defeating the Jefferson School team, 31 to 2, at the Horse Show Grounds. The victors scored all of their points in the first half, touchdowns being made by Walker, Tanner, Anderson and Dechert, while Grainger landed a field goal from the thirty-yard line. The locals not only put up a strong defensive game in the second half, but carried the ball to Woodberry's twenty-yard line, where Right tackle Harmon kicked a field goal. In the final minute of play Harmon attempted another field goal, but the ball fell short, and Dechert, picking it up, sprinted ninety yards, being downed on Jefferson's one-yard line by Lindsay.

Priddy at center, and Farrar at left tackle did good work in the Woodberry line, while Gooch and Flanagan carried off the honors for Jefferson.

Woodberry has scored a total of 295 points this season, and her next game is on Saturday, Western High, of Washington, while the following Saturday comes the championship game with Episcopal High School.

F. C. SMITH WINNER OF TRIAL EVENT

West Raleigh, N. C., November 11.—Saturday afternoon the regular annual cross-country run was held by the A. & M. track team, for the purpose of trying out the prospective track material in college and to stimulate the interest in that branch of athletics.

The race this year was run over a different course from previous years, which gave the people of Raleigh a better opportunity to witness the event. The start was at the Capitol, and the course out Hillsboro Street to Agricultural and Mechanical College and return, a distance of three miles. The first prize, a medal given by the Athletic Association, was won by F. C. Smith, who lowered his last year's record by twenty-six seconds, the time being sixteen minutes forty-five seconds. The second prize, which was a sweater, was won by R. P. Harris, third prize, a pair of shoes, was won by D. E. Roberts, and fourth prize, a hat, was won by C. H. Haughton.

The race was watched by a large number of spectators and proved a good exhibition of long distance work, which promises great strength in that branch of track work at A. & M. the coming season.

The officials of the race were: starter, E. L. Caldwell, manager 1912 track team; judges, L. C. Hand and A. J. Phillips; timekeeper, J. G. H. Gettner.

Charlottesville, Va., November 11.—In the sixth annual bench show of beagles, held in connection with the twenty-third annual field trials of the National Beagle Club of America, at Shawwell, this county, under the rules of the American Kennel Club, there were over 100 entries of superior quality. The best hounds in the country competed, and added interest was taken in the show because of some new importations. Over five hundred horses have already arrived and a hundred more are expected to-morrow and next day. The hotels are rapidly filling up with horsemen who are partial to the Norfolk races.

Among the arrivals to-day were, H. Gay Bedwell with such well known horses as Lochiel, Prince Ahmed and Jacqueline. James Fitzsimmons of New York, with a string of horses headed by William Martin, John Whalen, Thomas Redrock, Ed. Furell and J. T. Temple arrived to-day. Temple has charge of the stable of David Dunlop, which includes such horses as Takahira and others that have won purses on the Jamestown track.

WELCH OUTPOINTS WELLS IN FIGHT
London, November 11.—Fred Welch, the English lightweight, regained his title of lightweight champion of Great Britain in a twenty-round fight to-night with Matt Wells, the British title holder. The fight went the full distance, Welch winning on points. In the early rounds Welch had slightly the better of it, Wells's work being a little ragged. Both tried desperately in the final rounds to score a knockout. At the end of the twentieth Welch's right eye was nearly closed, but the referee considered that he had done the better fighting.
